The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact the Trust Fund Office at **1-775-826-7200**. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.https://www.healthcare.gov/sbc-glossary or call **1-775-826-7200** to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$200**/individual or **$400**/family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	**Yes.** Certain Preventive care, specific outpatient lab procedures (performed in Lab Corp., Renown or Quest labs), and mail order prescription drugs are covered before you meet your deductible	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ but contact the **Trust Fund Office** for specific covered preventive services under this plan.
Are there other deductibles for specific services?	**No.**	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For network providers **up to $1,000**/ Individual; for out-of-network providers **No Limit**/ Individual.	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Balance-billing charges, coinsurance, deductibles, and penalties for failure to obtain pre-authorization for services, and mail order prescription drug charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	**Yes.** Call **1-775-826-7200** for a list of network providers or visit ewtrusts.com.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing) subject to this plan's **Schedule of Allowance**. Check with your provider before you get services.
Do you need a referral to see a specialist?	**No.**	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
