All services performed by providers listed in this directory may not be covered under your health care plan. You must consult your Summary Plan Description to determine what services are covered. Failure to do so before incurring medical expenses may result in your not being reimbursed for certain medical expenses. This is a directory of preferred providers participating as independent contractors to the Trust Fund. This list is subject to change without notice. Every effort has been made to obtain and print correct information in this directory; however, the Trust Fund will not be responsible for inadvertent errors or omissions.

GRANDFATHERED HEALTH PLAN REMINDER

The Board of Trustees believes that the Electrical Workers Health and Welfare Plan for Northern Nevada is a “grandfathered health plan” under the Affordable Care Act (“ACA”). As permitted by the ACA, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that ACA was enacted. Being a grandfathered health plan means that your Plan is not required to include certain consumer protections of the ACA that apply to other plans (known as a Non-Grandfathered plan), for example, requiring the provision of preventive health services without any cost sharing. Grandfathered health plans must comply, however, with certain other consumer protections in the Act, such as the elimination of annual and lifetime limits on Plan’s essential health benefits. (For a definition of what constitutes as Essential Health Benefits, please visit www.healthcare.gov/glossary/essential-health-benefits.)

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Office at (775) 826-7200. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor (DOL) at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

PLEASE READ CAREFULLY

With preferred providers available, you can save yourself and your Trust Fund money by selecting preferred providers whenever you need medical, dental or vision care.

REMEMBER – Your Network is in a constant state of change. New Providers may enter the Network. Currently listed providers may no longer participate. Before services are rendered, please verify Preferred Provider status by calling the Healthcare Services Department at your Trust Fund Office, (775) 826-7200. Before making an appointment with a provider you have not seen before or to verify that a current PPO contract is in effect. It is your responsibility to verify that your choice of provider and/or location of office/facility are in fact a Preferred Provider. Failure to do so may result in reduced benefits and higher out-of-pocket expense to you.

Just because a specialist is listed in your Directory, does not mean that all services provided are covered benefits. **READ YOUR SUMMARY PLAN DESCRIPTION CAREFULLY.** If you do not understand it or are uncertain if a service is a covered benefit, call the Trust Fund Office for assistance.
